

2/11/2019

PE Ratio TTM: 17.66

EPS\_TTM: \$1,422.08

PE vs. EPS TTM

This graphic tracks the trailing 12 month earnings on the Dow Jones Industrial Average and their corresponding impact on the trailing 12 month PE ratio. If earnings are falling and prices keep rising, it creates a valuation issue. If earnings are flat and stock prices keep moving higher, this also creates a valuation issue.
